Research Services Offered by the Office of Research and Graduate Studies

For more information or to register for our upcoming events, visit our Web site:
research.unl.edu

Office of Sponsored Programs

- Assists researchers with pre-award and post-award services throughout the award life cycle.
- Reviews, provides advice on, and submits proposals to extramural sponsors for research, training and public service projects.
- Negotiates and accepts awards on behalf of the University of Nebraska Board of Regents; drafts and negotiates subcontracts.
- Provides financial management and close-out of awards, problem resolution and coordination of interactions with sponsors.

Office of Technology Development

- Works with inventors to promote the transfer of technologies created at UNL into the commercial sector for public benefit.
- Helps employees protect their inventions through patents or copyrights so their research efforts can lead to new products or services in the marketplace.
- Supports efforts to commercialize UNL inventions through start-up companies that can create jobs for students, the local community and the State of Nebraska.

Office of Proposal Development

- Works with faculty to conceptualize and develop competitive external grant proposals; facilitates collaboration on interdisciplinary and multi-institutional grant proposals.
- Helps UNL grant applicants meet proposal preparation requirements and improve proposal clarity, organization and visual appeal.
- Disseminates funding opportunities weekly via the Funding Announcements listserv.

Office of Graduate Studies

- Assists faculty with recruitment of students for training grants.
- Provides graduate student development programs that can enhance training proposals.
- Provides specialty expertise in recruiting under-represented graduate students.

Office of Research Responsibility

- Provides training in procedures for the responsible conduct of research.
- Develops plans to minimize, eliminate, or manage potential conflicts of interest.
- Assists in preparing research review (IRB/IACUC) and compliance documents.

nuramp

- **New** Research Administration Management Program informs researchers and research management staff about regulations, policies and procedures.
- Offers fall and spring workshop series addressing topics critical to research administration management.
- Provides other resources and educational activities to support research administrators and managers .
- To register for a course, please visit <http://research.unl.edu/nuramp>

Internal Funding Opportunities for Faculty

- Research Council Programs (interdisciplinary grants, seed grants, grants-in-aid, visiting scholar awards, symposia, distinguished lecturers).
- Strategic Research Cluster Grant Program.
- Arts & Humanities Research Enhancement Program.
- Layman Awards competition.
