

Electronic Proposal Submission Systems:

Grants.gov

Objectives

- Describe how Grants.gov and application packages work
- Find solicitations and application packages and download from Grants.gov
- Complete application package

What is Grants.gov?

- Website used by multiple agencies
- Find solicitations
- Download application packages
- Submit proposals (coming soon!)

Preparing the Package

- Post Office analogy: UNL is the sender that uses grants.gov to get the required information to the recipient (sponsor)
 - Get the right packing material
 - Properly prepare the package
 - Allow time for complete delivery

Exploring Grants.gov

Thank you for registering to receive notification of changes to this opportunity package. Should any changes be made to the Opportunity Package or its instructions you will be notified via e-mail at abalkus2@unl.edu

 Please review [Applicant FAQs](#) as you prepare and submit your application.

Option 1: Apply Now Using Workspace

[Login to Apply Now »](#)

Workspace is our enhanced application submission feature, which helps organizations and individuals create, complete, and submit grant applications.

[Want to learn how to get started? Click here.](#)

Option 2: Download Legacy Application Package

The legacy application package continues to be available for a limited time (see details). Please click [here](#) to learn how to get started with [Workspace](#).

To use the legacy application method, use the buttons below:

[Download Instructions »](#) [Download Package »](#)

Grants.gov Workspace

- Grants.gov workspace is rolling out to funding opportunities
- UNL is not currently using Workspace
- Workspace will be required by grants.gov at the end of 2017
- Look for more info coming as we implement Workspace

Steps from Prepare → Submit

- 
- Find correct funding opportunity and application package
 - Start NUgrant record

- 
- Notify OSP
 - Route budget and justification in NUgrant

- 
- Prepare package and attachments
 - Send to OSP for review, feedback, and submission

Wrap Up

- Questions? Examples to share?
- Go and confidently complete your Grants.gov packages
- We're here to help if you run into trouble
- Thank you!

Thank You!
