

CALL FOR POSTER ABSTRACTS

The Alliance for Advanced Sanitation invites researchers to celebrate their contributions to food safety by showcasing their work during our poster session.

This poster session features research and cutting edge technology that applies directly to food the food industry with a special emphasis on hygiene. Submit your proposal for consideration in this poster competition at the annual meeting of the Alliance taking place in Lincoln NE on the 23rd of May.

Benefits of participating: 1 presenter per poster will receive free access to the meeting and awards ceremony on the 23rd and 24th of May. You will have the opportunity to present your work to an industry and research audience and shared among Alliance member organizations. Abstracts will be included in the meeting program.

Who can participate?

- Research and teaching faculty
- Research Staff
- Graduate and undergraduate students

REQUIREMENTS

Posters should provide the audience with a highlight of your work that has industry relevance to food processors from all segments (frozen foods, meats, poultry, egg, shelf stable foods, fresh cut produce, dairy, grain, spices etc.). Posters should have a greater emphasis on conclusions and key results, and less emphasis on materials and methods. Work that addresses microbiological food safety, chemical food safety, hygienic design, materials science, applied cleaning technologies/methods and approaches, allergen cleaning, safety and hygiene of dry processes and the use of cross over technologies is strongly encouraged.

All accepted posters must be accompanied by a researcher who is available at the poster between 1 - 2pm and 4 - 5pm on the 23rd of May to discuss their poster.

Each poster should be no more than 48 inches in height and no more than 72 inches in width.

DEADLINE

A 500 word abstract must be submitted by April 1st 2017 to Dr. Angela Anandappa, Director Alliance for Advanced Sanitation together with your completed application form.

Angela.anandappa@unl.edu

Selected abstracts will receive confirmation by April 16th

We reserve the right to reject abstracts or limit the number of posters per researcher or institution based on space constraints.
