

Any sufficiently advanced technology is indistinguishable from magic.

- Arthur C. Clarke

*For a successful technology,
reality must take precedence
over public relations, for
Nature cannot be fooled.*

- Richard P. Feynman

I just invent, then wait until man comes around to needing what I've invented.

- R. Buckminster Fuller

The most important and urgent problems of the technology of today are no longer the satisfactions of the primary needs or of archetypal wishes, but the reparation of the evils and damages by the technology of yesterday.

- Dennis Gabor

Why shouldn't we give our teachers a license to obtain software, all software, any software, for nothing? Does anyone demand a licensing fee, each time a child is taught the alphabet?

- William Gibson

The best way to predict the future is to invent it.

- Alan Kay

We've arranged a civilization in which most crucial elements profoundly depend on science and technology.

- Carl Sagan

*Men have become the
tools of their tools.*

- Henry David Thoreau

You can't expect to hit the jackpot if you don't put a few nickels in the machine.

- Flip Wilson

Technology is dominated by two types of people: those who understand what they do not manage, and those who manage what they do not understand.

- **Putt's Law**

*Change is good.
You go first.*

- Dilbert

If you give a man a fish he will eat for a day. But if you teach a man to fish he will buy an ugly hat. And if you talk about fish to a starving man then you are a consultant.

- Dilbert
